Word count: **200-300 words from Introduction/Objectives to Conclusion** (Abstract title, Authors, Tutors, Affiliations information and Keywords are not included in the word count)

More information:

- Scientific names must be in Italic (e.g. *Candida albicans*)
- Always follow SI Units.
- Chemical formulas should be written in a standard form such as “Ca(OH)₂”.
- Use a zero before decimal points, such as “0.45”.
- There shall be no citations or references in the abstract specifically. If there is a need to cite references, please provide the sources in brackets.

An abstract is a compendious summary of a research paper's substance and should represent the original work. Informative abstracts and critical abstracts are going to be accepted. Documents that do not conform to the guidelines will be asked to be revised. Also, documents received after the given deadline, due to any reason, will not be accepted unless the deadline is extended.
